GENERAL REQUIREMENTS FOR AA TRANSFERRABLE DEGREE

- An Application for Graduation form must be filed with the Registrar's Office by the end of the second week of the fall and spring semesters, and by
 the end of the first week of the summer semester. Contact advisor for assistance.
- All degree applicants are required to complete the Exit Exam. A student who has earned a previous Associate's degree may petition the Arts &
 Sciences Dean for a waiver from taking the exam a second time. Students who do not take the Exit Exam or who do not have a waiver will not
 graduate.
- 3. Earn a 2.0 or higher cumulative grade point average.
- All applicants are required to complete 62 approved semester hours.
- 5. All degree-applicable courses, including elective must be 1000 level or higher.
- Other courses in the A&S Division numbered 1000 and above may count toward elective credit. Students are encouraged to discuss appropriate
 courses with their advisors.
- 7. Students may apply up to 15 hours of course work from the Division of Career & Technical Education as elective credit, but no more than 6 of these hours may be career center hours/courses. It is the student's responsibility to verify that all elective credit will transfer to the college which the student wants to attend.
- 8. Fifteen (15) hours of Mineral Area College credit must be included in the degree.
