

MAC's proposed STEM block for high school Juniors/Seniors *see below (limited space, so request to enroll early!):**

Yr. 1

MWF - 7:30 - 8:55 a.m. Calc I (Fall) & Calc II (Spring)

MWF - 9:00 - 11:30 a.m. Gen Chem I (Fall) & Gen Chem II (Spring)

T/R - 7:30 - 11:30 a.m. Stats & Open Choice or Study Period (Fall) & Macroeconomics & Open Choice or Study Time (Spring)

Yr. 2

T/R - 7:30 - 8:55 a.m. Calc III (Fall) Differential Equations (Spring)

T/R - 9:00 - 11:30 Physics I (Fall) & Physics II (Spring)

MWF - 8:00 - 11:30 A&P1 (Fall) & A&P2 (Spring)

***Discuss enrollment first with your grade-level counselor, and then see Ms. Andrea Richardson to enroll as early as possible (dual enrollment is the middle of the semester PRIOR to starting the class, so Fall enrollment will be in February, and Spring enrollment is in October). These are dual ENROLLMENT classes, so you are required to purchase your own books (sometimes rental is possible) from the MAC book store and you also have to bring your grade-level counselor a copy of your unofficial MyMAC transcript to transfer in the final grades once the course is completed.
